'Developing our Nation, Skill by Skill'

INFORMATION TECHNOLOGY SPECIALIST

(1440 Hours/9 Months)

You will acquire the requisite knowledge and skills to function as a specialist in the Information Technology field. At the end of the programme you will develop the competencies required to install, configure and maintain MS applications at an enterprise level. These applications range from servers, networks, databases and development of "apps".

Class Schedule: 7:00 am - 4:00 pm Monday to Friday

ENTRY REQUIREMENTS

- 3 CXC Passes or Equivalent or A+ Certification
- Successful completion of an Aptitude Test or experience in the IT field would be an Asset.
- A combination of academic achievement and experience to be determined at an interview.

EMPLOYMENT OPPORTUNITIES

This programme prepares you for the following positions:

- Systems/Network Administrator
- Technical/Business Analyst
- Application/Web Developer
- Database Administrator
